Dear Friends,

We have been busy this spring planting all of our summer produce. And thanks to all the rain, our crop is looking excellent!

## NEW THIS YEAR AT THE MARKET:

We will feature a different crop each week with special pricing plus samples and recipes for that crop. Starting in late June, our sweet corn roaster will be at the Market on the weekends and there will be plenty of fresh roasted sweet corn available!

## FEATURED CROP OF THE WEEK SCHEDULE:

June 16-22: Summer Squash ~ Yellow & Green

June 23-29: Green Beans

June 30-July 6: Tomatoes

July 7-13: Sweet Corn

July 14-20: Cantaloupe

July 21-27: Watermelon ~ Regular & Seedless

July 28-August 3: Pepper ~ Sweet & Hot

We know the price of gasoline is on everyone's mind this summer. We have a special offer for our loyal customers to help make your trip to our Market a little easier this summer.....

## **\$\$\$ FUEL MILEAGE REBATE PROGRAM\$\$\$**

Starting June 10: Spend \$50 or more at the Chesterfield Berry Farm Market and we will deduct the price of your round trip fuel up to 30 miles. Just tell the cashier your round trip mileage at the check out.

\*\*Rebate will be figured on 18 miles per gallon and \$4 per gallon of fuel. Only one rebate per customer per day. We expect to run this program through August 3, but it may end at any time.\*\*
